## **Daily Closures on Illinois 102 from John Street to Warner Bridge Road**

**CHICAGO** – The Illinois Department of Transportation (IDOT) announced that daily lane closures will take place on Illinois 102 between John Street and Warner Bridge Road, in Wilmington, beginning, weather permitting, Thursday, September 15. The closures are necessary for a project to repair the shoulders and install rumble strips.

In order to complete the work, daily, intermittent closures will take place on Illinois 102 from John Street to Warner Bridge Road.

The project is expected to be completed in Winter 2016.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
